

Holme Valley South COVID - 19 Emergency Hardship Fund

Cllr Paul Davies, in collaboration with Longley Farm and Holmfirth Tech, has set up an emergency hardship fund to support Holme Valley South residents in immediate financial need.

The one off payment will help go towards basic necessities and give you immediate support while you sort out your entitlement to benefits, or the Government's Covid 19 response payments or access to other forms of help.

The fund is not designed to be a long term solution to financial hardship, however we will also seek to signpost you towards further support where appropriate.

The fund is administered by Holmfirth Tech and an independent panel will decide whether to make a grant, normally within three working days of receiving your application.

There is also an option for residents to make a donation to the fund if they wish to.

Applications and donations to the fund can be made via the link below:
